

With a robust toolbox of over 35,000 SDC access & egress control components at your fingertips, you can assemble turnkey solutions to address both market-specific and application-specific requirements for almost any door opening imagined – while addressing a variety of factors, including: level of security, life safety codes, budget restrictions, aesthetics, type of door or frame, and retrofit or new construction.

1 45 Series

Centerline Electric Strikes

SDC's 45 series electric strikes are designed for use with cylindrical and mortise locksets with up to 3/4" throw latchbolts.

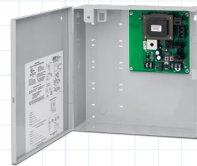

- Interchangeable application faceplates
- Full monitoring standard
- High traffic use
- Compact design for limited jamb space installation
- 45 strike with faceplate kit (45-A)

2 602RF

1 Amp Power Controller with Cabinet

SDC power supplies have been developed specifically to help reduce power system issues and to support SDC electric locks and access control products.

- Regulated & filtered linear DC power
- Class 2 output
- Field selectable dual voltage (12/24 VDC)
- Isolated battery charging circuit
- Input & output surge protection
- Fire/emergency release input

3 D15-2

Concealed desk switches

Mounted on the underside of a desk, SDC's D15 series switch assemblies enable the remote control of doors equipped with electric locks and access controls.

- Reliable activation
- Concealed mounting
- Remote access control
- Momentary (MO)

4 918U

Indoor Self Contained Access Control Keypad

SDC's 918 series indoor standalone digital keypads are designed to control access of a single entry point for facilities with up to 500 users.

SDC EntryCheck™

- Indoor use
- Single gang surface or wall mount
- Thick stainless steel faceplate
- Keypad programmable
- Tactile keys with selectable audible levels for key depression or output activation

SDC's COOL TOOLS YOU CAN USE ANYWHERE

Security Door Controls Retrofit Made Easy!

Use the SDC App to send a picture with your contact information. SDC will recommend cost effective solution with product information links to retrofit the opening for access control locking hardware.

1. Snap a picture of your door opening application
2. Submit through the free SDC app
3. Receive a complete **Access & Egress electrified solution**
