

# E300

## Electromagnetic Cabinet Locks

Eliminate keys and expand the reach of access control systems to drawers, cabinets and lockers – any critical use - where the application of a compact, specialized electromagnetic lock provides a higher level of security. **SDC's E300 micro electromagnetic cabinet locks** provide a connected access control solution that is virtually maintenance free and has a lock status output for remote monitoring and system application needs.

The compact size allows easy installation in small cabinets or restricted areas. No special tools are required.

### MODELS

**E300** Single Magnetic Cabinet Lock, 300lbs
