

# 410 Series

## Narrow Push Button Switches

The illuminated switch button is two inches square for easy activation and is visually conspicuous. The high impact resistant material stands up to abuse. The "PUSH TO EXIT" sign complies with NFPA requirements.

**The 410 series narrow frame mount exit switch assemblies** include a large push button on a narrow frame mount plate with push switch signage "PUSH TO EXIT".

**Code compliant manual releasing devices and sensors, 413MN** exit switches used together with MD-31D motion sensors comply with manual releasing device and sensor device requirements for access-controlled egress doors.

- Green or red illuminated switch buttons
- Stainless steel faceplate
- Push-to-exit sign
- Green and red lens included\*
- Auto-sensing dual voltage

\*413M models include green lens only.
