

**TR12** 1 Amp 12VDC Regulated Plug-In Power Supply **81.00**

- Thermal overload protection
- LED Power status indicator
- Secondary connection: Screw terminals
- Primary Input: 120VAC
- UL Listed, Class 2

**TR24** 1 Amp 24VDC Regulated Plug-In Power Supply **83.00**

- Thermal overload protection
- Secondary connection: 6ft wire leads
- Primary Input: 120VAC
- UL Listed, Class 2

**BR64XL** Bridge Rectifier, 6" wire leads. Converts AC transformer output to DC **28.00**
